**Michael Godel**

Proper, rich and savoury, very soil driven Riserva, ubiquitous in that it speaks for a large set of parcels and remains focused. Chewy with fully developed fruit sets, some dried sweetly in leather jackets, some perfectly ripe and yet to advance. A verdant note mixes in. All there, layered and at times disparate but complex as needed. Drink 2020-2024. Tasted February 2020.
